

Landscape & Building Maintenance Work Order

Revised 6/13/21

For any kind of outside building maintenance or landscape work please complete this form and email or deliver it to the contact person below. While you may also leave it in the Work Order Request Box located in the Clubhouse on the wall to the left of the front door, realize that the collection of your form could be delayed as the contact persons are not in that building very often.

____ Building Maintenance: Steve Alley – stevealley66@gmail.com, 919-440-5429

____ Landscape: Heidi Pearce – jmissheidipea@yahoo.com, 503-750-1063

For any work request that requires exterior changes to your unit, please refer to the architectural guidelines. ANY landscape request that requires planting or removal of shrubs or trees must be approved prior to digging to avoid damage to underground cables or pipes of any kind.
